

the same time, the fact that the same person can be both a subject and an object of a relation is not a contradiction. For example, a person can be both a subject and an object of a relation of being a friend. This is not a contradiction because the relation is not self-contradictory. The same person can be both a subject and an object of a relation of being a friend. This is not a contradiction because the relation is not self-contradictory.

On the other hand, the fact that the same person can be both a subject and an object of a relation is not a contradiction. For example, a person can be both a subject and an object of a relation of being a friend. This is not a contradiction because the relation is not self-contradictory. The same person can be both a subject and an object of a relation of being a friend. This is not a contradiction because the relation is not self-contradictory.

On the other hand, the fact that the same person can be both a subject and an object of a relation is not a contradiction.
